

Advanced  
ADVOCACY

## Passionate about making a difference—for our provider clients, their patients and the communities they serve.

The people at Advanced Patient Advocacy are passionate about making a difference. We treat patients with humanity, giving them **genuine one-on-one attention** and **follow-through commitment** that goes outside the hospital walls and into the community. This unique, personalized approach allows our advocates to **build trusted relationships with patients**, ensuring timely, accurate and efficient processing of applications. As a result, patients are more loyal, communities are healthier and providers **generate more revenue**. APA delivers. *Guaranteed.*

Our promise is simple.  
Advanced Patient Advocacy  
will deliver more revenue for  
your healthcare organization.  
Getting more coverage for  
more uninsured patients.

Healthy results.  
Guaranteed.

*Healthy results. Guaranteed.*

## Building Relationships That Build Revenue

**APA's approach is like no other.** We build deep and trusted relationships that go beyond conventional service. APA 'connects' with people. The results are patients who are healthier and more loyal, and providers that are healthier and more productive.

- *One-on-one personal screening*—with no shortcuts
- *Advocacy that goes beyond hospital walls*—leveraging relationships with churches and other community resources
- *100% follow-through until approval*—with the help of our patient-smart technology
- *Fully completed, higher-quality applications*—that get approved faster
- *Qualification of other family members*—at no cost, as needed

## Improving Access for Over a Decade

Over the course of 10 years, Advanced Patient Advocacy has built a reputation on delivering superior results for providers and patients alike. Today, our reach extends across hundreds of healthcare organizations, into the communities they serve, and into tens of thousands of households across the country.

## Advocacy Is About Commitment

**Committed to Clients.** We understand that no two clients are alike. That's why APA will collaborate to work within your existing facility footprint and departmental structure to implement, refine and integrate solutions that are uniquely responsive to the needs and culture of your organization.

**Committed to Patients.** Our hospital-based advocates are passionate champions for patients. They do everything necessary to screen each patient—even if that means reaching beyond hospital walls and going to homes or other locations to build relationships and keep people engaged in the application process.

**Committed to Communities.** With experience working in social services, human services and Medicaid offices, our advocates understand the importance of getting to know the unique needs of patients, and the dynamics of their communities, in order to find the best eligibility solutions.

**APA generates faster approvals and increased revenue, significantly reducing uncompensated care. We'll outperform your current eligibility model and generate superior results. *Guaranteed.***
